## FROM THE DESK OF THE POTENTATE

by Illustrious Potentate Mike Zubiate

Once again, mother nature throws us a curve ball having to cancel our Spring Ceremonial, she's 2 for 2, what's the chance of having a trifecta in 2026.

In the past 3 months, Team Kora have been busy visiting Shrine clubs, visiting other Shrine Temple receptions, and supporting the Cycle Corp Cornhole tournaments. Motor Booty was the best show ever. We held an open house for the new nobles and Master Masons and their ladies. It was well attended and well done by the membership committee. The Kitchen Club did a great job on short notice.

**Cornhole Tournament**

On April 5th we had Basket Bingo, what an event with well over 300 attendees, a record number. Al Collins did the bingo calling, the Kitchen Club served amazing food lots of volunteers, who helped make this event the best ever. Thank you too all.

April 6th, Maine Shrine Football Classic team meeting was well attended by players, cheerleaders and parents. Once again, the Kitchen Club did a fantastic job. And to all the volunteers, you guys and ladies "Rock." Thank you!

In the next 3 months Team Kora will be very busy. The Kentucky Derby Party May 3rd and May 10th Elvis will be in the house. You don't want to miss this show, he will rock the

copper domes off the roof to the ground. Then we will be off to sunny Bermuda for the Potentates trip with a large group of nobles and their ladies and friends.

**Lobster Bowl Team Meeting**

**Illustrious Potentate Mike Zubiate and Lady Sue**

**Basket Bingo**

Lady Sue and I want to thank the nobles and ladies of Kora for the overwhelming support during the first months of my term. "Life is good in the Hood."

The next coming months will also be very busy with the Lobster Bowl Golf event, Grand Assembly of Rainbow Girls, and the Summer Ceremonial in Farmington Fairgrounds June 12th to 15th. The committee is working extremely hard to make this the best event ever. We will have a special guest, a 60-year member of Kora Shrine, Clyde Ross, will serve as our parade Grand Marshal. Music will be provided by DJ Ryan Cote, who recently became an honorary member of Kora, for the past 20+ years he has supported Kora events.

In closing, please support your local Shrine Clubs and upcoming events.

## FROM THE RECORDER'S DESK.....

*by John R. Knox, P.P., Recorder*

Greetings Nobles:

We are coming into the “busy” part of the Kora year – and your Potentate and his team have made every effort to make 2025 an enjoyable experience for all.

Watch this “SANDS” and the “Kora Konnections” for updates on what is happening. You can do your part by responding in a timely manner by the requested cut-off dates to assure the planning teams have the proper amount of food and “refreshments” available to guarantee no one goes without!

Nobles, as you visit your Blue Lodges, don’t be bashful in announcing our upcoming events and remind the Brothers that they too can participate in the fun events we have – join us at Farmington for the Summer Ceremonial in June. Our initiation fee has been set at \$200 which includes: 2025 dues (\$105), a stylish FEZ (\$150), meals on Saturday for candidates and their Lady (\$80 value) – over a \$300 value!

Looking forward to seeing many Nobles at these upcoming events – remember, read the SANDS and get your registrations in early – and as always, be sure you have paid your 2025 dues.

Fraternally,  
John R. Knox, P.P.  
Recorder

# PARADE SEASON IS UPON KORA SHRINE

by Michael Robitaille, Chief Rabban

With parade season approaching, we must all remember that the safety of parade participants and spectators is of the utmost concern for Kora. We have outlined a few items or situations that we would like everyone to observe to make our parades safe events. As nobles, we must adhere to the guidelines so that we will be asked back in future years. As Kora Nobles we must be professional in our appearances, uniforms, and manners at all times.

## Safety Guidelines:

1. Practice and conduct formal training for your unit members. The time to learn is not in the parade. Document any and all training / practice sessions.
2. Be Responsible for Safety. This is for each noble and is a culture we must adopt. Have a Safety person for each event. Conduct a safety check of each motorized unit before each parade and document this inspection.
3. If you see a dangerous situation; speak up, this could include spectators in the roadway or bad road conditions.
4. No Candy / Handouts. No object or candy can be thrown to the crowd, regardless of walking or riding. Candy or other objects must only be done hand to hand and only while walking.
5. Severe Weather – Organizations may decide to postpone during rain or inclement weather. If the pavement is wet, motorized units need to be cautious when performing stunts or maneuvers. You may consider not performing these stunts.
6. Riders – During Non-Shrine events you may have riders in the parade. They are to be closely monitored and they are not allowed to drive any motorized units.
7. Any new motorized units need to be on Kora's Insurance prior to being used in any parade.
8. Alcohol and Drugs – There shall be absolutely no consumption of alcohol, unlawful drugs, or smoking on any vehicle or trailer. No person operating any motorized unit shall be under the influence of alcoholic beverages or any unlawful drugs of any type.
9. There is to be no contact with parade spectators when a unit is moving. Any contact with participants can only occur if the noble has stopped the motorized unit and the unit is in the off position. No High-Fiving!!!
10. All parade requests must be approved by the Potentate and must be done using the Parade Request Form on the Kora Shriners website.

### Kora Shrine Pre-Screening Clinics

Kora Shriners are starting Pre-Screening Clinics. For the past 9 months, we've collaborated with Shriners Children's in Boston and Springfield, meeting with professionals who assist children we can support. We've formed a Steering Committee including representatives from Kora to Boston and Springfield, a Past Potentate, the current Potentate, and two members of the Kora Konnect Committee.

We are currently in the process of assembling a team consisting of doctors, nurses, and intake personnel. As we progress through the spring, we will be engaging with communities to inform them about this opportunity for those needing services at Shriners Children's. We believe that there are children within our communities who can benefit from the medical services provided by Shriners.

The first Pre-Screening Clinic is on Saturday September 6 and will occur on the first Saturday of each month, from 9am to 1pm. Walk-ins are welcome, but advance registration is encouraged. Visit [korashriners.org](http://korashriners.org) for registration details.

As Shriners, we aim to raise awareness of our work and how we can assist children in need. If you have any questions or require a presentation for your unit or club, please contact any member of the Board of Governors for either Shriners Children's location.

Tickets are selling fast so contact Bogie directly for your tickets.

## FEZTIVAL OF TREES

The Kora Shrine Feztival of Trees Committee is planning a special 20th anniversary. Our 35 members have been working through winter and spring to enhance the Feztival with your support.

In 2024, we experienced a record year with substantial growth. We are planning to increase corporate sponsorship to help reduce expenses. The format of the Feztival will remain mostly unchanged in 2025.

The decorating committee has chosen "*An Old Fashion Christmas*" as the theme for 2025. While details are still being finalized, it will have a "wow factor". The committee is also collecting photos from the past 20 years. If you have any to share, please contact a committee member.

We will continue to have admission time slots and trees on both floors. Positive feedback from tree sponsors and attendees highlighted the visibility and enjoyment of the Feztival. Last year's success was largely due to Facebook promotions, the Grinch, and engagement with posts and comments, which attracted new visitors.

The Feztival of Trees will be held from November 20th to November 29th this year.

## KORA KONNECT PROJECT 2025

As Spring approaches, it is time to consider the Kora Konnect Project. The goal of this project is to connect the Noble to Kora and the Noble to their Community. Committee members have spoken with prospective Masons and Shriners. Discussions were also held with former patients and family members regarding their experiences at our hospitals.

Kora Konnect completed the final phase of a project initiated three years ago. A new sound board was installed in March, concluding this project.

Our committee has a strong relationship with Jackman Powersports, who provided a great deal on a black Can Am 700 4-passenger AT. We will be trailering it to various locations in southern Maine.

The raffle starts on June 1st, with our first public event at The Summer Ceremonial in Farmington. We are adding more locations this year. On June 21st, we plan to be at the Moose Lottery Draw in Farmington. We will also be at Windjammer Day in Boothbay Harbor on June 25th. Our Mid-Coast brothers will support us at this new location.

Tickets for Nobles will be available at The Summer Ceremonial. The incentive from last year continues: your name enters a \$500 drawing for each book sold. This also applies to those selling tickets at events. The Units and Clubs initiative from last year will also be repeated, benefiting Kora Konnect and Units and Clubs.

The raffle will not be available online. With your support, we will raise funds to assist Kora in meeting the need of Kora and members of our community. Check the poster on the back page of this edition of Kora Sands and look for updates in the Konnections. For questions or offers of assistance, please contact one of the following Nobles:

FOR THE NSA FALL FIELD DAYS  
September 25 through 28, 2025**

Your leadership team under the direction of Potentate Mike Zubiate has just returned from the mid-winter planning session in Summerside, PEI. Philae Shriners have prepared a fantastic weekend for the visiting Shrine Centers of the Northeast.

This note will provide PRELIMINARY information to help you plan your trip and visit. It is important to please read this information so we can effectively plan.

**ROOM RATES** - Housing Chair Tim Luttrell has secured room rates at \$150 including taxes per night at the Days Inn in Summerside. **All reservations must be made through the Recorder - NO EXCEPTIONS. DO NOT contact the hotel directly - they will NOT make reservations for you.** This is intended to provide costing for your planning purposes. Details on room reservations and reservations for other events (Ladies Luncheon, awards banquet, etc.) will be issued as soon as the host temple distributes their forms. Watch the Kora Konnections and email blasts through WebFez for more details shortly.

**TRAVEL** - There will be 3 options for travel -

- 1.) Personal vehicle - travel distance is 500 miles each way. You must have a passport or real ID to enter Canada and to return to the U.S.
- 2.) Mini-Van Rental - Tim has arranged for mini-van (12 passenger) vans - which should accommodate 10 people plus baggage comfortably. Van rental will be \$600, 400 free miles, plus gas expenses (on you) and extra miles @ \$0.20 per mile.
- 3.) Motor Coach - 50 people needed to make this work - cost will be \$450 per COUPLE - we must have firm commitments **NO LATER THAN** August 1 to the recorder.

All charges must be paid in FULL by August 1. As soon as we receive a registration form from Philae it will be distributed with all related details.

We hope this will help people pre-plan this trip - PEI is a wonderful Province, beautiful scenery and friendly and welcoming Maritime Canadiens.

# Young Burn Survivor Thrives Following Treatment at Shriners Children's Boston

*Hannah's care team at Shriners Children's Boston is crediting her favorite activity, aerial gymnastics, for helping her recover from burn injuries sustained as a toddler.*

"The staff at Shriners Children's Boston has been impressed by how much her hands have changed without surgery," said Hannah's mother, Nicole. "Aerial gymnastics has caused Hannah to use her hands, stretch the skin and keep it loose along the way." Hannah's medical team is applauding her interest in gymnastics, which is keeping her active and helping the healing process.

When Hannah was a year old, she burned both hands after crawling up to and touching a glass-fronted fireplace. Nicole remembers how overwhelmed she and her husband, Joshua, felt when they first brought Hannah to Shriners Children's Boston. She had been seen previously in another medical facility where her parents were told that Hannah would likely need surgery. When the family arrived at Shriners Children's Boston, they talked with Hannah's care team about developing a treatment plan that would reduce or eliminate the need for surgery if possible. Nicole and Joshua were relieved after it was determined that she would not need surgery.

Hannah's parents credit the remarkable team at Shriners Children's Boston for helping them through the treatment process. "Each appointment has been amazing. The staff have been so sweet with how they have treated Hannah," said Nicole.

Nicole and Joshua said Robert L. Sheridan, M.D., chief of staff and director of the burn service, made a particularly positive impact on Hannah. Initially, Hannah was fearful of doctors, and Nicole said Dr. Sheridan helped bring a sense of calm. "Dr. Sheridan has always kept things light and simple, so Hannah doesn't get scared or overwhelmed," said Nicole. Now, Hannah looks forward to her trips to Boston.

Dr. Sheridan shared that one of his favorite parts of working at Shriners Children's Boston is interacting with patients and their families in the outpatient clinic, which is where Hannah has had her appointments. "I like the personal connections you make. I enjoy seeing the kids in follow-up, seeing how they're doing, and how school is going," said Dr. Sheridan.

Nicole explained that the Shriners Children's Boston staff has been there every step of the way to help Hannah "with plastic braces to stretch her hands, with gauze and lotion, and with advice and encouragement that has helped us feel confident in how we treat her burn injuries."

Nicole is offering words of advice to families navigating their journey at Shriners Children's Boston. "Share with your doctor and team how much you want to work together. Help them see how invested you are in your child's recovery, and willing to do whatever it takes to make it possible," emphasized Nicole.

One of the highlights of Hannah's time at Shriners Children's Boston is interacting with the Shriners who volunteer at the hospital. "The Shriners would make the patients in the clinic waiting area laugh, they gave out stickers and helped our children not be scared during such a tense time," said Nicole. Nicole and Joshua adopted Hannah and her twin sister, Rebekah, when they were toddlers. She remembers how much both her daughters loved seeing the Shriners who "always had such sweet hearts and kind smiles at the ready, whenever we showed up."

In Hannah's free time, she remains active with aerial gymnastics, an activity that brings her joy. "She is constantly doing cartwheels, back and front walkovers, and using aerial silks, the gymnastics bar and rings," said Nicole.

## KORA MINI-RACERS

By Gary Richardson

**Mini-Racers are kicking off the 2025 Season and we are excited!**

The Mini Racers are back, revving up for an exciting season! We kicked things off with a fantastic start at the Auburn Mall Race Car Show where the M&M car was a standout attraction, especially among the kids. With several sponsors already on board, we continue to welcome new partnerships to support our mission.

As we finalize our 2025 parade and event schedule, we invite you to be part of the excitement. If you enjoy watching us in parades, why not take the next step and join our team? We are always looking for new drivers, and Nobles seeking a second unit will find a welcoming home with us.

For more information, please contact John, Brandon, or Gary.

## KORA FACTS & FIGURES

by Lenny Perkins, Director/Scribe

Greetings! The 2025 summer parade season is coming right up! I'm pleased to share that the Facts & Figures Unit will be following along the Kora Cycle Corps parade route for most of the summer. As you all know, Facts & Figures tells the story of what we do, where we do it, and why we do it! Our carts pull signs that share the important work of our hospitals, and this is seen by hundreds of people who line the streets as we drive by. This is the real mission of the Shrine.

We have 7 carts that are currently being worked on to be sure they are road-ready; our Cycle Corps partners are generously donating work-space, time and energy to help with this process.

With that being said, I'm looking for volunteers willing to drive a cart at one of the parades this summer. Anyone who would like to drive a cart should reach out to me at 207-212-3638, as I will need to provide some instructions for operating a motorized unit, per our Temple's requirements for vehicle safety. You must have a valid driver's license and sign off on an authorization form. I am also looking for Nobles who are not involved in a unit to consider joining the Facts & Figures Unit – we can use a few good men!!

Thanks to all who are willing to drive a cart!

## LOG ROLLERS

by Ron Guptill, Scribe

First, we would like to say congratulations to Sir Mike Zubiate and Lady Sue. I am sure, it will be a fun year.

Parade season is coming up fast. Our first parade will be in Kennebunk on May 4th and then off to OOB on May 26th. In June we start off with Summer Ceremonial in Farmington then off to Windham. July is our busy month with 6 parades and the Maine Shrine Lobster Bowl Classic. August is a little bit quieter with a few parades and the Kora Kare for Kids Ride-In. Our last parade will be the Fryeburg Fair Parade.

We want to say Thank You and Congratulations to Dick for the last five years leading our group.

## PROVOST

by Dan Toto, Scribe

It snowed today  
 Again  
 Like yesterday  
 And once more  
 Snow tomorrow.....  
 But I will wait, for like fate  
 Spring always follows  
 Spring always comes  
 Spring has never failed me.....-Florentino.

It has been a busy winter. We have covered 8 events, everything from installation of the Divan of 2025 to the arrival of Motor Booty Affair. There has been at least one Provost at every event and sometimes as many as 4: from opening doors to assisting the dazed and confused, we have seen everyone who has entered or exited the Temple building.

Along with spring we hope to welcome a new member once he traverses the cold dunes and receives his fez for his efforts. (Details to appear in the fall edition).

Summer is kicking off soon enough and we will be at the summer ceremonial in Farmington working to keep the nobility safe from the shayatin alghubar.

The Medical Unit held our annual CPR/AED refresher on February 7th with good attendance. Medical, Provost, Highlanders and Kitchen Club were there to help ensure the safety of our membership. Thanks David.

If you are in distress, you know how to find us; we are the ones with the whistles.

If you are looking down on someone, it had better be to compliment his shoes.

## CRAZY COPS

by William Brochu, Scribe

Mother Nature threw us some curve balls this past Spring. Getting the parade carts ready around the messy weekends was a challenge. In the end, the carts and trailers are good to go. The unit selected the parades they wanted to participate in this year. The Summer weekends will be busy again. Crazy Cops always enjoy a good parade.

The Summer Ceremonial is happening at the Farmington Fairgrounds, June 13th-15th. This should be a fun time while bringing in new nobles. Looks like Tacos are on the menu on Friday and who doesn't like TACOS? Ok, maybe someone doesn't like tacos, but they must be in another unit or club. The Ceremonial parade is early on Saturday morning, so limit the Tequila shots.

Mainers know Summer is short. Make the most of it. Get outside, open a window, crank up the Boombox (like Alexa, only cooler), and enjoy the week or two of nice weather. We hope the weekends are nice and dry because the carts are not weather tight. At least they stay clean for the most part.

Crazy Cops have a couple Facebook pages. We update them with parade photos often. Any noble interested in becoming a Crazy Cop member or associating with the unit, just reach out. Stay safe friend and keep connected for upcoming events at Kora.

## MOTOR CORPS

By Kevin T. Cole, Scribe

Greetings fellow Nobles!

As we say goodbye to winter and ready our rides for the parade season, we need to remember to provide copies of our registrations and drivers' licenses to Secretary Noble Russ Farwell by the Memorial Day Parade in Old Orchard Beach. Also, if your vehicle is an antique exempt from state inspections, it still should be inspected to ensure that it is safe. Please verify that your car is safe before driving it in a parade. If in doubt, let us help you out.

Recently, the Black Camel called upon our friend, Noble Alden Grant, whose 1967 Cadillac DeVille convertible, shown in the photo, is now in the hands of his daughter, Nancy Grant. Alden had encouraged Nancy to sell the car to a Motor Corp member, if possible, and Nancy would like to comply with that request. The vehicle's odometer reads less than 65,000 miles! This is a sweet ride and Alden has taken excellent care of it. Nancy has extensive maintenance records on the car. It can be viewed in Bowdoinham in the evenings or weekends with prior coordination with Nancy. She can be reached by telephone at 860-918-1651 or by email at [nangrant29@gmail.net](mailto:nangrant29@gmail.net). Nancy would like to offer it for sale to a Motor Corps member for \$20,000. If you aren't yet a member of the Motor Corps, this car could be your ticket into the unit. We'd love to have you.

See you on the highway!

## GREETERS UNIT

Submitted by Marc Gilbert, Scribe

I, Marc Gilbert, Scribe, am yielding the floor to George Herrick, for some history of the Greeter Unit and the Lobster Bowl. George was gracious enough to provide Jason Davis with this. Thank you, George:

The Director, Jason Davis, asked me if I could write up a few things of interest about the Greeter Unit.

The Greeter Unit was a part of the staff years ago and it was not a unit. The staff had a chairman who was chosen by the potente every year and then the chairman would choose his assistant chairman. We would assist in fitting Fez's and check dues cards and anything else that the potente might want us to do. Dr. Pelletier was the first chairman, Richard Pulkkinen was the 2nd chairman, and I was the 3rd. We were getting less and less duties, so we petitioned the potente to become a unit; and the year that Bob Halet was potente it happened along with the Funsters. We copied the by-laws from the 2nd section and adjusted them to fit our unit and the by-laws were approved, I believe this was in 1983. The Greeter Unit used to participate in parades, we had two banners (one in English and one in French), that four greeters carried. And at one time we also had a float that was hauled by my Bronco; on that float we had greeters along with an old wheelchair that we got from CMG (CMMC). The float was stored at L & A Awning thanks to Greeter's Barry and Brian Richardson.

The Greeters always supported the circus in any way that we could. In fact, we used to go to the Auburn Mall, set up a booth and sell circus tickets. One time we were on break for lunch, there was Richard Pulkkinen, Everett Trask, Richard Agathus and me; we were throwing around the idea of a football game for Kora. Everett said he knew the committee of the Vermont Sugar Bowl and he would reach out to them and see if we could get a copy of their by-laws. After a little time, with a few agreements, we were able to present it to Buster Downing who was potente. But it didn't happen that year. It happened the following year when Jack Carrier was potente. So, to make a long story short, the Greeter Unit was responsible for our high school senior all-star game, the Maine Shrine Lobster Bowl Classic.

I was the first Kora Greeter director and Everett Trask was the second. The Greeters had 25 Nobles in the unit at that time and all were very active. We even hired a couple of Brunswick Transportation buses one year. We and our wives went to the Springfield Hospital and stayed one night in Sturbridge. The unit had a great trip along with fellowship and a tour of the hospital.

The unit also had an annual lobster feed at our cottages on Bailey Island along with summer BBQ outings at the Trask's house, Richard Pulkkinen's camp, Mike McFadden's camp and Roland Champagne's camp along with Christmas parties at Bob Drake's and various other Greeters' homes. We even had an ugly T-shirt party at Richard Agathos house. We had many activities. It was a very active unit. In fact, we had a waiting line of Nobles who wanted to be in the Unit.

## KORA DRIFTERS

By Dan Guilmette, Scribe

Greetings from the Kora Drifters! The 2025 Parade season is upon us and we cannot wait to heat up our slicks and slide around all summer long. It felt like the winter months would never let go, snow in mid-April had us down (except Bernie), I mean, we're not afraid of snow, and we love our December parades but the warmer weather means festivals, parades and happy Drifters.

On April 13 we got together for a full morning of Trike maintenance and upgrades. Starting the morning right with a full breakfast prepared by Bro. Bucknam, we started in on the work of the day. Everyone had a job, from replacing slicks to draining oil to welding on gussets to stiffen up the frame. Maintenance is incredibly important to making sure these vehicles run as smooth as they do and helps us ensure safety remains top priority.

Our Trailers were emptied and all of the necessary supplies were laid out and reorganized to make sure we have everything we need for the summer. It was a well run event and a lot of work was completed in a short amount of time. Thank you to Gary for bringing over his equipment and to Bernie for hosting and setting up everything ahead of time, and everyone who loaded and unloaded and reloaded... you get the idea... There isn't much we do where we don't have fun and this was no different.

Wishing all the units a fun and safe summer!

## FUNSTERS

by Adam Tanguay

Well by the time you all read this we should be in the beginning or middle of the parade season. So firstly, I would like to welcome all new nobles and their ladies. This is a great group to belong to and my only advice is to find an activity or club to join. That is the best way to have fun and enjoy what Shriners are all about.

Now, I am going to go back in time and write this as if most of this isn't already in the far past. We begin with the successful completion of the Kora Shrine Outdoor Expo. Now I haven't heard any final results yet but I hope it was better than last. As for me, I didn't get a call on any of the raffles or 50/50. I guess I will have to try again next year.

The Summer Ceremonial planning is in full swing and it is looking to be a great event so book your spot and I hope to see you all there.

Finally, other upcoming events I am looking forward to this year are the Imperial Session in Atlanta, Georgia and the Northeast Field Days in Summerside, PEI. If you haven't been to any Imperial Sessions, you should add it to your list. It is the biggest Shriners gathering of the year where you can meet Shriners from all over the world who have the same passion for what we do. It's a event to make new friends, share ideas and just have fun. The Northeast Field Days is just a smaller version of what happens at the Imperial Sessions. But this year for me, I am looking forward to the location of the field days, Summerside, PEI, I have never been to Prince Edward Island so that makes it exciting, plus all the things to do and the things planned. Lookout for more information to come out and really consider going to these events.

Until next time, see you at the next event.

## KORA KLOWNS

by Rick "Divot" Green, Scribe

The KORA KLOWN unit is gearing up for the summer ceremonial and our 2025 parade season. As any good Klown would know, nothing prepares your makeup skills and liver better than a trip to the Northeast Clown Institute, otherwise referred to as Klown College! I'm guessing that many of you, like our wives, question if this is really an event so luckily our 2025 attendees have a few pictures and trophies that they are willing and able to share. CJ "Sonny" Larrabee set the standard in the individual competitions by taking home 1st place in the Hobo/Tramp division.

Unlike his father, who is an absolute legend in competitions, Ryan "Checkah" Robitaille remains a "bridesmaid" by again placing 2nd in the Auguste division. I've always heard that the third time is a charm so hopefully he can turn that frown upside down and get ready for 2026!

Fortunately, Kadin "Krafty" Crafts, who already won his division last year, was there to supervise and carry "Checkah" in the 2-Man skit in which they were able to take home 1st place.

In another group event, "Sonny", "Checkah" and "Krafty" were able to pull it together and also win 1st place in the multi-person skit!

Overall the Kora Klowns represented again and outside of a few late night texts, kept the focus on improving their skills. We are anxiously looking forward to some better weather and a fun and rewarding summer of parades and events.

As always, if you are interested in being part of the unit with the most participation ribbons at the temple, please feel free to speak to any one of our KLOWN members or email Ryan "Checkah" Robitaille, at [Lisbon52@gmail.com](mailto:Lisbon52@gmail.com).

## CYCLE CORPS/FACTS AND FIGURES

by Bob Levesque, Scribe

Well spring has sprung...well almost anyway. The Cycle Corps has dragged our old minibikes out of the dusty old trailer and started tinkering on them once again to get ready for Parade Season. Carl and the boys have been doing excellent work keeping these 1972 Rupps running and in a safe condition. We replaced all the tires on the minibikes last year and most of the brakes. We installed kill switches on them all as well. By the time you are reading this KCC will have already had our annual inspection from the safety committee and I'm sure we will get a great report. We in the Cycle Corps have always been focused on safety as these tiny bikes are a little hard to get used and with us...large guys on them its easy to make a mistake. We are happy the Temple has taken a stronger stand on safety, for our guys and the general public, this is nothing but good for the fraternity.

Our parade coordinator (Chris) has been lining up parades for the summer season. Looks like it will be a banner year for parades. We have been meeting regularly to work on the bikes and get our sea legs back under us. Our new trailer is much easier for us to move the bikes around and if we can keep from running into things with it, we will be styling. We have some new sponsors on the sides of our trailer that we didn't have in the past. Next time you see the Cycle Corps Trailer take a look at the sponsor's logos, we are proud to have them as part of the team.

As I said in the last Sands, KCC has stepped up and taken on the Facts and Figures Unit. We have repaired the truck that hauls the trailer and did some work to the trailer as well. We have gotten the carts back in tip top shape and we are scheduling parades again for the unit. Our past Director Lenny Perkins has been voted in as F&F Director with Ernie Pinkham as Asst Director, we are sure they will do a great job. By the time you are reading this article, we will have had the carts inspected too. We are running some training for the KCC and the F&F units so everyone will be cross trained for both units. We are putting it out there that if anyone might be interested in driving a cart in some parades, please let us know and we can get you trained in the operation of these cool carts. We are also looking for members to join the unit, maybe you want to be in the parades and might want a nice seat to ride on??? We are in the process of updating the information on the trailer placards that tow behind the carts. We are proud of the work we all do and want to share the great news with anyone who wants to take a look.

Mike and Sue have been doing a great job with the Temple so far and we are sure the rest of the year will be a big success. The KCC and F&F are planning on attending the Summer Ceremonial which is being headed up by our very own Assistant Rabban and long-time Cycle Corp member, Frank P. Welch Jr., with help from Pam (of course) and a large committee. We are planning on having a blast at that event and participating in a wonderful parade in Farmington, as well as welcoming a bunch of new Nobles into the fold. Remember everyone, new members are how we keep this fraternity thriving into the future.

We hope to see everyone out this summer doing great work and having fun. Reach out to a KCC member if you are interested in joining one of these groups or just want to experiment with operating a cart in a parade, it's way fun.

Once again, I have gone on too long, remember to always walk and act like a Mason and enjoy every day God gives you.

Until next time KCC/F&F Mr. Scribe

## KORA HIGHLANDERS

by Chet Matthews

La' Math (good day) Noble Lads & Lassies,

The Highlanders have started this season with our annual performances at Gritty McDuff's Brew Pub, in both Auburn and Portland, and the Westbrook Eagles Club. We have several parades and the Summer Ceremonial ahead of us this year and are now preparing for those as well as working on adding a few new tunes to our repertoire.

For those new Nobles who may not know us The Kora Highlanders Pipe and Drum Corps is a vibrant and colorful traditional military style unit comprised of a dedicated group of Nobles augmented by a similarly dedicated group of guest musicians and steadfastly supported by our Highlander Ladies. While we have a few new pipers and drummers in training we are actively looking to add to our ranks. So, if the truly unique sound of the Pipes and the thunder of the drums make you stand a little straighter or bring a smile to your face the Highlanders may be the place for you! Plan to visit us at one of our practice sessions in the Highlander Room at the Shrine Center to share a wee dram and learn more about us. The Highlanders meet most Sunday evenings at 6:30 PM. or contact Chet Matthews, cwmatt@comcast.net or any Highlander.

Until next time, Slainte mhath (good health) and Sealbh m ath dhuit (good luck)
